When you have piles don't fail to use Man-Zan, the great pile remedy. The only way to cure this annoying trouble is to apply something that will act on all parts affected. That is what Man-Zan does. It is put up in a tube with nozzle attached. Sold by Sunnyside Drug Co.

Making the Best of Life.
Comparatively few men know how to live. The man who has no system in his life, who is regulated by no definite principle and proposes to himself no great and honorable end is not likely to show a satisfactory result. Reflect on the vast possibilities of your life—of honor, usefulness and happiness. Is your life as intelligent, as happy, as useful as you might have made it?

Something Very Like It.
"It is impossible to take something from nothing," quoted the Wise Guy. "Well, you come pretty close to it when you take the conceit out of some people," added the Simple Mug.

Smashes All Records.

As an all-round laxative tonic and health-builder no other pills can compare with Dr. King's New Life Pills. They tone and regulate the stomach, liver and kidneys, purify the blood, strengthen the nerves; cure Constipation, Dyspepsia, Bilelessness, Jaundice, Headache, Chills and Malaria. Try them 25c at Sunnyside Drug Company.

The New Paper NOTICE!

About the last of this month I shall begin here the publication of a weekly paper to be known as **The Index** and published at One Dollar per year.

I have asked Mr. Henry, at the Bank, and Mr. Katz, of Sunnyside, to accept subscriptions under the following agreement:

Five days after the installation of my plant and the mailing of my first issue, they are to pay me one-half the money so collected and to pay the other half into the fund for the New Church.

In La Lande, the Holiness Association has been asked to act as Banker and will receive fifty per cent of all money so collected.

Persons may pay as far in advance as they wish, and the offer is good until the day set above for the division of the money, but it applies only to cash in advance subscriptions handled by the parties named, though any may solicit subscriptions and turn them over to these.

Four Reasons Why A National Bank Is Safe

- 1st. The U. S. Government is, in a sense, a silent partner, in the conduct of every National Bank.
- 2nd. In granting a charter to a bank it makes special inquiry as to the character and financial standing of the applicants.
- 3rd. Twice a year, or oftener, it sends an examiner, who makes an examination of all records and business methods employed, reporting any irregularities to the Comptroller of Currency.
- 4th. The U. S. Government keeps a watchful, but friendly eye on all National Banks.

It requires each National Bank to make a sworn statement of its condition twice a year, and to publish such reports in the local newspaper.

It requires the Board of Directors to perform its duties, and to have a knowledge of the manner in which the business is being conducted.

3rd. The U. S. Government forbids National Banks to own any real estate, except its own building.

It does not allow National Banks to loan their money on real estate.

It does not allow a National Bank to loan more than ten per cent of its capital stock and surplus to any one borrower.

It holds each stockholder responsible for an additional amount equal to the stock owned, in case of any irregularities or shortage.

4th. The U. S. Government requires a National Bank to secure its currency circulation by purchasing government bonds and depositing same with the U. S. Treasurer.

It requires the National Bank to maintain at all times a cash reserve equal to 25 per cent of its deposits.

It does not allow this legal reserve to be re-deposited with other than National Banks.

One Comfort.
A certain lady prides herself upon always looking at the bright side of things.

My dear," moaned her husband one day recently, as he tossed restlessly on his bed, "it's the doctor I'm thinking of. What a bill he will be!"

Never mind, Joseph," said his wife. "You know there's the insurance money."—Stray Stories.

Lived 152 Years.

Wm. Parr—England's oldest man—married the third time at 129, worked in the fields till 132 and lived 20 years longer. People should be youthful at 80. James Wright, of Sparlock, Ky., shows how to remain young. "I feel just like a 16-year-old," he writes, "after taking six bottles of Electric Bitters. For thirty years kidney trouble made life a burden, but the first bottle of this wonderful medicine convinced me I had found the greatest cure on earth."
